RANCH LIFE

Is Shown by a Very Interesting Picture at the Bijou Theater Today.

"Ranch Life on Diamond S Ranch" is the title of a great western picture showing at the Bijou theater today and tonight. It is a wonderful exhibition of dexterity and feats that will astonish and amaze. It is a worthy successor to the world famed "Ranch Life in the Great Southwest." The Bijou contributes in this annual offering of distinctive features a combined picture of surpassing interest. It shows the wonderful and thrilling life on a large ranch, such as bronco busting, rough riding, dog steering, (here we introduce the champion woman dog steerer of the world), and dare devil cowboy riding. This with a congress of Rough Riders makes a picture of unexcelled interest. The usual prices will obtain, 5c to all.
